To Whom It May Concern,

Teleton Mexamérica is an institution of assistance created in the U.S. whose main objective is to support the rehabilitation of children with disabilities in Mexico.

On August 13, 14, and 15, 2010, we will be making a series of public service announcements for the Teleton Mexamérica foundation based in Canoga Park, California, and produced by ACA Films in Miami, Florida.

The campaign will use a series of testimonial vignettes with real people to urge the viewer to help contribute with donations to the cause. Its main target audience is U.S. Hispanics, but will be inclusive enough to invite the rest of the community to take part.

The Teleton Mexamérica foundation originated in Mexico and has been successfully raising funds for this cause for the past 10 years. Teleton is telecast live in Mexico during the first week of December, where the major fundraising event takes place. It has raised over 6 million dollars in the past year, which has been used to fund the building of hospitals and clinics, as well as directly aid children with disabilities and cancer.

Teleton Mexamérica looks forward to making this PSA a reality.

Thank you in advance for your support. Your generosity is greatly appreciated.
